

God's Got A Blessing For You

Bishop Richard "Mr. Clean" White on I'm Glad

Verse 1:

You've been waiting on a blessing
And it seems it just won't come
God..., things are rough, seem like you are done
The devil is a liar and a deceiver too

Chorus:

God's got a blessing for you
God's got a blessing for you

Verse 2:

You've been waiting on deliverance
And it seems it just won't come
Body sick, pain everywhere, it seems nobody cares
The devil is a liar and a deceiver too

Chorus

Bridge:

You've been waiting, anticipating
It has finally come, your blessing
(repeat)

Chorus

Vamp:

Grab hold to your blessing (repeat)
Reach out and get your blessing (repeat)
Reach out....reach out (repeat)

Chorus
